Established Since 1995

AN ISO CERTIFIED 9001-2015

ISO 9001 : 2015 Organization

We are Manufacturer of Springs for Automobile Industries, Engineering Industries, Civil Industries, Power Energy Industries, Pharmaceutical Industries.

## About Us

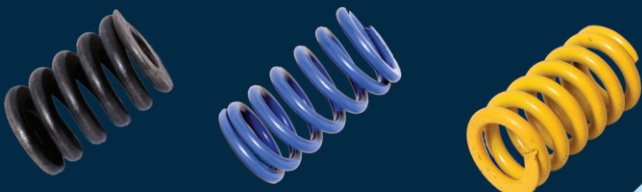

Raj Spring Works was established in the year 1995. We are manufacturer and supplier of Compression Springs, Extension Springs, Wire Products, Wire Forms & Torsion Spring, Springs for Steel Utensils, SS Strainer Springs, SS Card Holder, SS Bucket kadi, Utility Tong Springs & Rivets, Safety Springs for Swimming Pool, SS Single Springs, SS Double Springs, SS Commercial Springs, SS Duplex Springs, SS single Bend Type Springs, Springs & Clips for Electricals, SS Trigger & Toggle, etc.

## Quality Policy

For Continual improvement in Manufacture of Springs and Sheet Metal parts for Automobile, Electrical, Electronic, Engineering, and Civil Industry.

## Applications

We are Manufacturer of Springs for Automobile, Engineering Civil, Power Energy & Pharmaceutical Industry.

## Compression Springs

### Heavy Duty Compression Springs

We manufacture a wide collection of Compression Springs that is open-coil helical springs. These Compression Springs are coiled at a constant diameter and when placed axially, these resist compressive force.

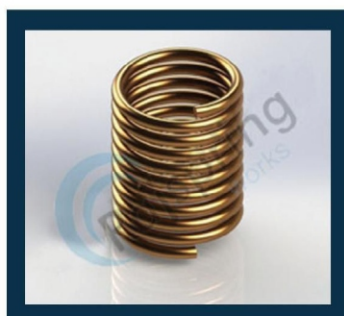

### Conical Compression Springs

We are the leading manufacturer, engaged in offering supreme quality range of Conical Springs. These springs are a type of torsion spring, as the wire itself is twisted when the spring is compressed or stretched.

### Double Conical Springs

We are actively instrumental in presenting our clients an extensive gamut of Double Conical Springs.

### Helical Compression Springs

We hold expertise in manufacturing an extensive array of Helical Spring that is used in machine, etc.

## Torsion Springs

### Wire Product

We are one of the eminent names of the market engaged in offering a high quality range of Wire Product to the customers.

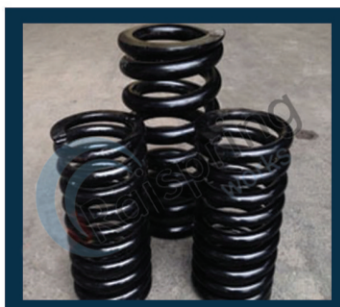

### Extension Springs

We manufacture and supply a wide range of Extension Springs. These springs are reckoned for its robust structure, resistant to pulling force and strength.

### Auto Mobile Springs

We are a prominent Auto Mobile Springs Manufacturer and Supplier. Our quality tested Extension Springs possess high tensile strength and optimum durability.

### Machinery Springs

We are offering a broad assortment of Machinery Spring that is widely used as a machine part.

## Pool Cover Springs

### *S.S. Single Springs*

Our organization is instrumental in the manufacturing, supplying and exporting of premium quality SS Single Spring.

### *S.S. Single Heavy Duty Springs*

We are a prominent manufacturer of wide range of high quality Large Poolbar Springs. These products are designed with the help of superior quality raw material secured from some of the genuine vendors of the industry.

### *S.S. Short Springs*

Our range of Short Springs are designed and wound to enable them rotation and offer a return force. These Short Springs with rotation bend can be attached in various ways and for this reason it is available with various specifications.

### *S.S. Double Regular Springs*

We are among the well known companies in the field of manufacturing and supplying of SS Double Spring. These springs are highly reliable and have great performance level.

### ***S.S. Double Heavy Duty Springs***

We manufacture to our client's superior quality of Double Spring Bend Type. Our offered range is widely used in various industries for meeting diverse applications for bending spring for proper installation.

### ***S.S. Commercial Springs***

We are instrumental in offering premium grade SS Commercial Springs to our valuable customers, across the nation.

### **Regular Short Spring**

SHORT POOLCOVER SPRING.

We assemble short pool spring in SS 304 and 316 grade. Provide Length of Short poolcover spring in SS 304 and 316 grade. Provided Length of Short Poolcover Spring is 5" and used wire diameter is 3.5 mm of this spring.

## Pool Cover Accessories

### EYE BOLT

We are the manufacturer of eyebolt for swimming pool in S.S 304 grade as per client requirements. We have a good quality product with a bright polish finish.

### SNAP HOOK

We are the manufacturer of snaphook for swimming pool in S.S 304 grade as per client requirements. We have a technical team to see the stringent of material. We are able to provide this product in a bulk quantity.

### D RING

We are the manufacturer of large D ring for swimming pool in 5 mm S.S 304 grade as per client requirements. We are specialized from many years to manufacture D rings for swimming pool industry as pool cover accessories

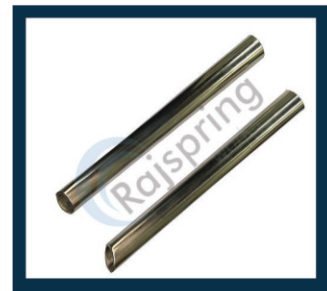

### ALUMINIUM LAG TOOL

We are the manufacturer of aluminium lag tool in high quality aluminium materials. It is used as hardware tools in pool cover accessories and it is manufactured on CNC Machines to provide the good quality product.

### DECK TUBE

We are the manufacturer of deck tube for swimming pool in S.S 304 grade with bright polish. We manufacture the deck tube for swimming pool industry as hardware accessories.

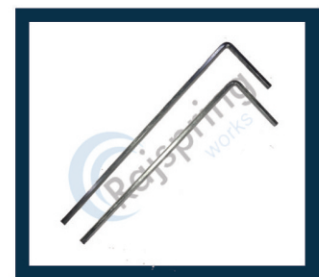

### INSTALLATION ROD

We are the manufacturer of installation rod for swimming pool in M.S and S.S grades with bright polish. We can manufacture the installation rod in variable sizes as per requirements.

### ALLEN KEY

We are the manufacturer of allen key for swimming pool industry in M.S grade with zinc plated. It is used as hardware accessories in swimming pool.

### S. S. Buckles

We are manufacturer of S. S. Buckles in S.S. 304 & S. S. 316 Grade with Bright Polish. We have wide range of Buckles as 3 Bar & 4 Bar. S. S. Buckles are used to secure straps with S. S. Spring.

We can provide S. S. Buckles as per client's requirement.

## S. S. Cable Mate

We manufacture S S Cable mate in a variety of Sizes : 2" long, 3" long, 4" long, 5" long and 6" long. We fully assemble S S Cable mate in S S 304, 303 and 316 grade It is highly demanded product for Safety pool cover accessories. We can also provide S. S. Cable mate as per requirement.

## Aluminium Tip Cap

We manufacturer of Aluminium tip Cap with matt or bright finishing. This desirous product is sold for surmming pool cover Hardware. We can also provide this product as per customer need.

## Brass Anchor

We mass produce Brass Anchor to meed a wider market since 25 years composition of Brass used in anchor is acceptional, and provided in different types and sizes. Such as Regular anchor Wonder anchor, and pavers anchor.
